DESCRIPCIÓN DEL PROYECTO	
Title:	ePals
Language:	no disponible
Age range:	10 a 10
Themes:	Foreign Languages, Informatics / ICT
Tools:	e-mail, Other software (Powerpoint, video, pictures and drawings), Twinspace
Description:	The project involves two schools - one from the Czech Republic and another one from Spain. The Czech school provides a total of 55 students from two different groups (working in pairs), whereas the Spanish one offers 25. They exchange information based on several topics via email and TwinSpace.
Aims:	1. To improve their reading comprehension, writing expression and social skills. 2. To promote the use of ICT. 3. To perceive English not only as a language to be learnt but also as a tool for communication - the value of English as a means of communication. 4. To enjoy working with other European peers who are also in the process of learning English as a Foreign Language.
Expected Outcomes:	Throughout the project development, students will have produced several texts (either handwritten or typewritten) and videos using mainly English as the vehicular language. They will be available on a public TwinSpace.
Procedural Plan:	· Three partners will be in charge of the project: two from the Czech Republic and one from Spain. · The project begins in October and it ends in May. · Students from both schools exchange emails or share productions via TwinSpace on a monthly basis following this plan (month/topic/resources): - October / Introduction: name, age, family. / Letter - November / School, subjects, timetable, my day. / Email - December / Christmas: traditions. / Postcard. Video: Christmas carols in Czech, Catalan and English. Webwhiteboard.com: Christmas wish, common work. - January / My country and my town / Email - February / Food, eating habits / Chat on TwinSpace - March / Recipe / Video - April / Easter festivals and traditions / TwinSpace - May / Summer holiday plans / Email

· Between the end of May and the beginning of June, partners assess the project.
